

# HOME MAINTENANCE SUMMER CHECKLIST

**Remember that these tips are general guidelines, and specific maintenance tasks may vary depending on your location and the type of home you have. Regular home maintenance is essential for preserving your property's value and ensuring a safe and comfortable living environment.**

- Keep lawn well-watered and mow regularly
- Inspect and clean the outdoor grill and patio furniture
- Check for any signs of termite or insect infestations in and around house
- Seal cracks in the driveway and apply a fresh coat of sealant
- Inspect and clean the pool or spa regularly if you have one
- Check the weather stripping around windows and doors for wear and tear
- Inspect and clean ceiling fans to ensure they work efficiently
- Clean and organize the garage, dispose of unnecessary items
- Inspect and repair any damaged screens on windows and doors
- Check and repair any damaged sprinklers or irrigation systems
- Apply fresh coat of paint or stain to wooden decks or fences
- Test and inspect outdoor lighting fixtures, replace faulty bulbs
